### **Bill Anthony Joins KBS Constructors, Inc. as Project Developer**

Topeka, KS (January 21, 2009) – KBS Constructors, Inc., one of the Midwest’s leading commercial construction companies, has named Bill Anthony as their new Project Developer.

As Project Developer, Anthony will be responsible for initial Client contacts and will be a resource for customers as projects move from concept to completion.

“Anthony has the experience we need right now to keep the momentum we’ve built,” said KBS President Dan Foltz. “His engineering background makes his understanding of marketing even more valuable.”

Anthony has more than 30 years experience in A/E/C sales and marketing, specializing in market research and strategic planning. This experience has helped him to develop and expand numerous key client relationships for past employers.

Prior to joining KBS Constructors, Anthony held senior management positions with J.E. Dunn, The Ceco Corporation, and most recently, Terracon Consultants, an ENR top 50 design firm in geotechnical engineering.

He holds degrees in Engineering and Business Studies for Kansas State University, and The University of Missouri Kansas City. His registrations include registered professional engineer, and certified professional services marketer.

KBS Constructors, Inc. has nearly 20 years of experience in commercial construction, and specializes in Critical Environment Construction™.
