Jo Feldmann Joins KBS Constructors, Inc. as Project Developer

Shawnee, Kan. (May 6, 2010) – KBS Constructors, Inc., one of the Midwest’s leading commercial construction companies that specializes in Critical Environment Construction™, has selected Jo Feldmann to serve as its new Project Developer.

As Project Developer, Feldmann is responsible for initial client contacts and is a resource for customers as projects move from concept to completion.

“She is very experienced in economic development,” said KBS President Dan Foltz. “We are excited to bring on a professional with her level of expertise.”

Feldmann has spent the past decade working in economic development both for Westar Energy and most recently the Topeka, Kan. Chamber of Commerce. Within these positions, she focused on business growth and expansion, an emphasis that will be highly valuable with her new endeavor.

She holds a Bachelor of Science in Business from Friends University. Along with her degree, Feldman has accomplished great progress in continuing education. With business retention and expansion as her focus, she has demonstrated a consistent, dedicated approach to continual improvement.

KBS Constructors, Inc. has nearly 20 years of experience in commercial Construction and specializes in Critical Environment Construction™. To learn more, visit www.kbsci.com.
