The Ultimate Tailgate Party to be part of American Royal Barbecue

Kansas City, Kan. (October 1, 2009) — Booth #500 at the 30th annual American Royal Barbecue will be home to one of the event's biggest parties, the KBS Constructors Ultimate Tailgate Party, hosted by Kyle Petty to benefit Victory Junction.

Victory Junction is a year-round camp that enriches the lives of children with chronic medical conditions or serious illnesses by providing life-changing camping experiences that are exciting, fun, and empowering, in a safe and medically-sound environment. Soon, work will begin on Victory Junction Midwest, a second camp to be built in Kansas City, Kan.

Proceeds from the Ultimate Tailgate Party will benefit the Body Shop, the camp's key medical facility to be built by presenting sponsor KBS Constructors. KBS Constructors is a commercial construction company with offices in both Topeka and Shawnee and are known for being leaders in Critical Environment Construction.

The Ultimate Tailgate for the Ultimate Cause also drew the attention of Design Surveys, LLC. Uniting with KBS Constructors in the effort, this local surveying group is donating all of the land surveying needs of the camp both current and future. The estimated gift of services in-kind is estimated to be more than \$200,000 and will be given to Victory Junction at no cost. Design Surveys has also committed to donating any camp surveying needs they may have in the future.

"Everything is for the kids," says Russ Bishop, Vice President of Design Surveys. "It's an amazing organization, and we are just glad we are able contribute to such a good cause and help this camp come to life."

Joining the Party's nearly 2,000 expected attendees will be campers and parents from the North Carolina Victory Junction camp, as well as many Kansas City Chiefs

alumni, Kansas City Wizards players and event host Kyle Petty.

The party will take place Friday, October 2nd, from 5:00-11:00 p.m. For more information or to purchase tickets, visit www.KBSUltimateTailgate.com.

KBS Constructors, Inc. has nearly 20 years of experience in commercial Construction and specializes in Critical Environment Construction™. To learn more, visit www.kbsci.com.
